

Business

Connectivity you can rely on

In partnership with **SAMSUNG**

Help teams do their best work without interruption

Virgin Media O2 Business, in partnership with Samsung, can bring you tools that are shaped around your people's needs. When your people have fit-for-purpose mobile devices complemented by award-winning connectivity¹, there's nothing stopping them from doing their best work – whether they are at home or in the office.

Empower your employees to work where they need to

- Reliable connectivity from the UK's most trusted mobile network²
- Leading devices that support productivity and collaboration
- Expert security services that take care of the hard work for you
- Comprehensive support to unlock the value of your technology investment

End-to-end support and expertise

Get expert input on your network, devices and solutions.

Get the most out of your tech solutions with support that covers all your business and IT needs.

Commercial flexibility

Choose from flexible financing options that suit your organisation.

Don't let large upfront costs prevent you from striking while the iron is hot. Spread out costs and find payment plans that suit you.

Tailored solutions

Find exactly what you need. Only pay for what you use.

Looking for a needle and paying for a haystack? We provide the exact devices, licences and tools you need and leave out all the rest.

That's everything
you need – all from
a single point of contact

Want to know how we can help reduce security concerns and downtime, while lightening the load on your IT team?

[Visit our landing page to find out more.](#)

We'd love to talk with you about how we can support your organisation.

Get in touch and we can start the discussion.
